CLASSIC INTERIORS

The First thing We Build is Trust

We are one of the leading companies holding expertise in offering world-class Corporate Interior designing to customers across Delhi NCR. Our company has executed over 100,000 square feet of Interiors in last couple of years that enable us in meeting the every growing demand of corporate interiors including technically skilled works.

The First thing We Build is Trust

CLASSIC INTERIORS

Classic interiors is a Design Consultancy Firm with a Pan India presence. We are a multi disciplinary Design Firm offering sensitive and innovative solutions across spectrum of wide and diverse User Groups and Markets in the field of Architecture, Interiors, Planning and Engineering.

Since its inception in 1990, the Firm has constantly strived to deliver Value consistently to its Customers. This is through our interactive, collaborative and multi – disciplinary Work methodology. We like to develop Design Solutions which are Simple in concept and execution, striking in form and appearance and sustainable in long term usage.

It has a wide Client base and does a variety of projects ranging from IT Parks Campuses, Corporate Offices, Institutional, Hospitality, Master Planning and Interior Design.

A large number of Projects have been successfully commissioned all across India under all the above project categories.

Our ability to work in a committed and collaborative manner with Clients, listen to their needs, apply our knowledge base and expertise, enables us to achieve end delivery as initially envisaged – which is to Cost, to Time and to Quality.

Expertise

- Excellent ability to conceptualize interior detailing, including lighting, colour, materials, finish selection, space planning and architectural element.
- Creating aesthetically pleasing environments that represents the clients' life style and taste.
- Plan, design and furnish interior residential, commercial and industrial environments.
- Modifying drawing, prepare design and develop space plans.
- Achieve interior designs that reflect the individual functional needs and preferences.
- Provide Vaastu compliant plans based on clients' preference (based on Vastu consultation).
- Build and maintain strong, trusting relationships with clients
- Frequently retained for interior design services based on impeccable reputation.
